

Please submit the completely filled in form to the VERS office by email: [info@vpi-vers.eu](mailto:info@vpi-vers.eu)

## Registration application for the VERS tool

This form must be filled in completely to obtain access to the VERS tool. The administrator named by your company can then create additional accounts for employees.

Name of the company / workshop:	
Location / address:	
Named administrator (last name, first name):	
Email address:	
Telephone no.:	

By sharing your data, you declare your consent for VERS to send the data to the IT service provider to set up the access.

After returning the application, you will receive an email confirmation with your user data in January.
