

A yearly surveillance audit is necessary to keep the ECM certificate valid.
To prepare for the audit, an annual report must be sent to the certification body
(info@vpi-vers.eu) one month before the audit.

BASIS OF THE ANNUAL REPORT

- Implementing Regulation (EU) No 2019/779, Annex III, I.7.4.k
- ERA-GUI-09-2011-SAF- ECM certification guide - ECM certification scheme, 3.2.2.5.1.
- Regulation (EU) No 1078/2012, Article 5 (3)
- Implementing Regulation (EU) No 402/2013 and 2015/1136

PURPOSE OF THE ANNUAL REPORT

- Overview of the relevant events since the last audit
- Input for the preparation of the audit by the certification body

PERIOD COVERED BY THE ANNUAL REPORT

The annual report covers a period starting 2 months before the last surveillance audit and ending 2 months before the next planned surveillance audit.
